

Staying COVID-19 secure in 2021

We confirm we have complied with the government's guidance on managing the risk of COVID-19.

Five steps to safer working together

- 1.** We have carried out a COVID-19 risk assessment and shared the results with the people who work here.
- 2.** We have implemented cleaning, handwashing and hygiene procedures in line with guidance.
- 3.** We have taken all reasonable steps to help people work from home.
- 4.** We have taken all reasonable steps to maintain a 2m distance in the workplace.
- 5.** Where people cannot be 2m apart, we have done everything practical to manage transmission risk.
